

# Athlete Registration Guide

Brasil Flag World Championship 2026 · Step by step, from your team invite to a confirmed registration

## HOW ATHLETE REGISTRATION WORKS

Your registration starts with **your team**: the club adds you to the roster and you receive an **invitation e-mail**. You create your account using **the exact same e-mail**, verify it, log in to the Athletes Area and **complete your profile** — photo, official photo ID and, if you are **under 18**, the guardian authorization. Athlete registration opens on **July 7 at 10 AM** (Brasília time). Works on phone and computer.

## PART 1 — Get the invite and create your account

- 1 Your team invites you**  
Athlete registration starts from **your club**: the coach/manager adds you to a category roster (Men, Women, U-15 or U-12). You receive an **invitation e-mail** from BFWC 2026. Keep that e-mail — you will use the same address to register.
- 2 Open the athlete registration page**  
Go to [www.brasilflagworldchampionship.com/portal/atletas/cadastro](http://www.brasilflagworldchampionship.com/portal/atletas/cadastro). Athlete registration opens on **July 7 at 10 AM** (Brasília). Works on phone and computer.
- 3 Choose the language**  
On the first screen, select **Português**, **English** or **Español**. The whole portal follows your choice.
- 4 Step 1 · Fill in your details**  
Use the **same e-mail from the invite**. Fields marked \* are required:

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| <b>Full name *</b>     | Your name as on your official ID                    |
| <b>E-mail *</b>        | The SAME e-mail where you received the invite       |
| <b>Date of birth *</b> | Sets your category and whether you are a minor      |
| <b>Nationality</b>     | Your country                                        |
| <b>WhatsApp</b>        | With country/area code, e.g. +55 11 99999-0000      |
| <b>Instagram</b>       | Your @ handle (optional)                            |
| <b>Position</b>        | Your position on the field (optional)               |
| <b>Photo</b>           | A clear photo of your face (used for accreditation) |
| <b>Sports history</b>  | Teams, titles and time playing (optional)           |

All set? Click **Continue**.

- 5 Step 2 · Create a password and accept the terms**  
Set a password with **at least 8 characters** and confirm it. Read and check the terms for **image use**, **Official Rules**, **health & risks** and **privacy (LGPD)**. Then click **Create account**.
- 6 Verify your e-mail**  
You will get a confirmation e-mail. Open it (check **spam** too) and click the link to **activate the account**. Without this, login is not enabled.

## PART 2 — Log in and complete your profile

- 1 Log in to the Athletes Area**  
Go to **/portal/atletas/login** and sign in with **your e-mail** (the same from the invite) and your password.
- 2 If you see an error message, here is what it means**  
"E-mail not verified": open the confirmation e-mail and click the link (check spam). · "Wrong password": check your password. · "No account found": check the e-mail — it must be exactly the one from the invite. · **Forgot your password?** Click "Forgot password", enter your e-mail and follow the link (valid for 1 hour).
- 3 Profile tab · Check your details and photo**  
The portal opens on the **Profile** tab. Check your details and upload a **photo with your face clearly visible** — it is used for your accreditation.
- 4 Upload your official photo ID**  
Attach an **official photo ID** — national ID, driver license or passport (image or PDF). **It is the same document you must bring on game day** to verify your identity, so use a valid, legible one.
- 5 Under 18? Upload the guardian authorization**  
If you are **under 18** on the event date (U-15 and U-12), you must upload the **guardian authorization**. In the portal, **download the template** (Annex II), have your parent or legal guardian fill it in and sign it, and attach the file. Without it, registration is not completed.
- 6 Done · Registration confirmed**  
With your profile complete (details, photo and document — plus the authorization if a minor), your **registration is confirmed**. The organization approves documents **by Sep 30**. You can return to the portal anytime to review or update your data.

## PART 3 — Tips and game day

- 1 Bring the same document on game day**  
On game day, bring the **same official photo ID** you uploaded in the portal — it will be used to verify your identity at accreditation.
- 2 Keep your data up to date**  
Changed your WhatsApp or photo, or need to replace the document? Log in to the Athletes Area and update it.
- 3 Questions?**  
Talk to your team manager or the organization: **contato@brasilflag.com** · WhatsApp **+55 (16) 99775-4522**.
